 Kein Adapter erforderlich

 Adapter erforderlich

 Adapter bitte separat im Fachhandel bestellen

Hinweis: Sollten Sie Ihr vorhandenes Heizungsventil nicht in dieser Liste finden, ist aktuell kein passender Adapter für das Ventil verfügbar.

* I.d.R enthält der Lieferumfang von Homematic IP Heizkörperthermostaten drei Adapter für Danfoss-Ventile (RA, RAV und RAVL). Ausnahme ist der Homematic IP Heizkörperthermostat – basic. Dieser enthält den Adapter für Danfoss RA-Ventile.

Das vollständige Danfoss-Set (RA, RAV und RAVL) erhalten Sie im Fachhandel.
