

# tPump XL

## SPECIFICATION SHEET

NR	ITEM	SPECIFICATION
1	Rated voltage	14,8V – USB-Rechargeable
2	Rated power	177,6W
3	Maximum current	12A
4	Maximum air pressure	0.2~6,9 bar/3~100 psi
5	Gas flow	40L/min
6	Inflate 195/55R15" tire from 0~35psi	In full battery capacity ≤ 2:30 min
7	Inflate 700×25c bike tire form 0~100psi	In full battery capacity ≤ 12 seconds
8	Working current	≤5A
9	Continuous working time under 35psi pressure	15 minutes
10	Light	White LED light Red LED light (warning & SOS mode)
11	Air hose length (exposed length)	230±5mm
12	Battery capacity	Lithium ion battery 18650 - 4 x 2.000mHa / 3,7V
13	Battery data (if available)	<b>Battery type:</b> Lithium ion <b>Battery individual weight:</b> 0,184g <b>Number of battery:</b> 1pcs
14	Rechargeable Battery data	<b>Battery type:</b> 18650 2000mah Lithium battery <b>Battery weight:</b> 0,184g <b>Weight of cell:</b> 0.043g <b>Number of battery cells:</b> 4pcs
15	Charging time	2 hours
16	Battery usage	Can charge 6x 195/55/R15 tires or 63x 700*25C bicycle tires at constant temperature
17	Storage temperature	-10°C-45°C
18	Dimensions	60x85x200mm
19	Shell and panel materials and colors	ABS cover with black rubber coating
20	Pressure range and accuracy	Digital pressure gauge Measuring range 3~100psi Measuring accuracy 35psi±1.5psi
21	Accessories	1. Tube with Schröder valve 2. tClamp quick connect with pressure relief valve. 3. Presta/Dunlop valve adaptor 4. Plastic nozzle adaptor for inflatables 5. Ball needle adaptor 6. USB charging cable 7. AC charger 8. Protective case

22	Product weight	<b>Nett Weight</b> - 0.85 Kg/pcs <b>Gross Weight</b> - 1.51 Kg/pcs
23	Packing	<b>Carton</b> (10 pieces) (58,2x24,4x25,2cm) (15,1 kg) <b>Color Box</b> (23,5*11,3*11,2cm)
24	Packaging weight paper/cardboard/carton in g	
25	Packaging weight of plastic in g	No
26	Packaging weight of composites in g	No
27	Packaging weight glass in g	No
28	Packaging weight ferrous metals in g	No
29	Packaging weight of aluminium in g	No
30	Battery data (if available)	<b>Battery type:</b> Lithium ion <b>Battery individual weight:</b> 0,184g <b>Number of battery:</b> 1pcs
31	Rechargeable Battery data	<b>Battery type:</b> 18650 2000mah Lithium battery <b>Battery weight:</b> 0,184g <b>Weight of cell:</b> 0.043g <b>Number of battery cells:</b> 4pcs
32	Product weight	<b>Nett Weight</b> - 0.85 Kg/pcs <b>Gross Weight</b> - 1.51 Kg/pcs
33	Packing	<b>Carton</b> (10 pieces) (58,2x24,4x25,2cm) (15,1 kg) <b>Color Box</b> (23,5*11,3*11,2cm)
34	Data sheet-please	Attached
35	Operating instructions	<a href="https://www.coolado.com/brandkit-manuals/">https://www.coolado.com/brandkit-manuals/</a>
36	Declaration of Conformity	Attached
37	High resolution images	<a href="https://dealer.coolado.com/brandkit/">https://dealer.coolado.com/brandkit/</a>
38	CERTIFICATION & WARRANTY	CE, 2 years
39	EAN CODE / HS CODE	7 438257 994941 / 8414809090

## MORE INFORMATION

**FAST** - 40 liters per minute or inflating a bicycle tire to 3 bar in 12 seconds or a car tire from zero to 2,3 Bar in 2:30 minutes making it the fastest pump in its class.

**POWERFUL** - with two cylinders motor that allows you to fill the tires in seconds.

**MULTIPURPOSE** - The tPump XL is versatile and suitable for 4x4, Camper, Caravan, Motorcycle, Car, Bicycles and Sport balls

**SUPER CHARGER** - This mini compressor has a battery capacity of no less than 8,000 mAh. It takes less than two hours to charge the battery using the AC wall charger, and you can charge the battery from any USB device. A DC car charger is also included. With a full battery you can charge 63 bicycle tires or pump continuously for up to 15 minutes.

**AUTOMATIC GAUGE** - Inflate any tires up to 6.9 bar / 100 PSI. This electric tire pump comes with a digital pressure gauge for all types of vehicles. The display shows the measurement in real time and also indicates when the desired pressure has been reached, and the pump switches off automatically when this pressure is reached.

**POWER BANK** - The pump has a 5V/2A USB output, so it can be used as a power bank to charge your phone.

**UNIVERSAL ADAPTERS** - Comes with 5 universal adapters (Schrader, Presta or Dunlop, Plastic and Needle)

**EASY TO CONNECT** - Simply connect the pump to your valve using the tClamp.

## ALL ADVANTAGE AT GLANCE

- ✓ 1 Motor / **2 cylinders**
- ✓ Pump function up to **40 liters per minute**
- ✓ Fast and Powerful
  - ✓ The speed to inflate a bicycle tire to 3 Bar **is 12 seconds !!!!**
  - ✓ The speed to inflate an empty car tire to 2,3 bar **is 2:30 minutes!**
- ✓ Runs on a powerful **8,000mAh lithium battery**
- ✓ Can inflate **63 bicycle tire in one charge**
- ✓ You can also use the pump as a **powerbank** for your mobile
- ✓ **Can be charged in 2 hours** with a AC wall charger
- ✓ Next to the AC-Wall charger, we also provide a USB-charger (6-8 hours to charge the battery) and a DC car-charger
- ✓ Comes with a **tClamp with air release**
  - ✓ The tClamp makes it easy to connect the pump to the valve.
  - ✓ The air release button makes it easy to remove air from a tire.

## OTHER SPECIFICATIONS

- ✓ Robust rubber coated body ensures high durability
- ✓ Range of air pressure up to 6.9 Bar or 100 PSI
- ✓ Travel safely with the right pressure in your tires
- ✓ Digital tire pressure gauge for checking the tire pressure
- ✓ Compact and light and therefore handy on the road and on a journey
- ✓ Wireless and USB rechargeable
- ✓ Easy to operate and user-friendly digital display
- ✓ Stops automatically when the desired tire pressure is reached
- ✓ Includes various valves, USB charging cable and water-repellent protective cover
- ✓ Battery indicator
- ✓ LED lamp with SOS mode for when you are in trouble
- ✓ Flashlight function with LED lamp
- ✓ Coolado guarantees

**Brand:** Coolado

**Model:** tPump X

**Material pump:** ABS with a rubber coating

**Colour:** Black

**Noise level:** 75 decibels
