DELTACO 3-in-1 Wireless Charging Station:

Designed to work with all your Apple devices, but not exclusively for only Apple devices. The detachable powerbank and the wireless charging (Qi) space on the bottom of this stand can also be used with other compatible devices like smartphones or in-ears etc., wirelessly or via the USB port on the stand or wirelessly or via the USB-C port or the powerbank.

- Ideal for use with Apple iOS 17 Standby mode:

This 3-in-1 wireless charging pad from DELTACO is specially designed to work seamlessly with Apple iOS 17 Standby mode, efficiently charging your devices while they remain in standby mode. This ensures a convenient and energy-efficient charging experience.

- Magnetic wireless charger compatible with Magsafe:

The built-in magnetic wireless charger allows you to effortlessly charge your Magsafe compatible devices. The magnetic attraction ensures a firm and secure connection, so that your devices are always optimally charged.

- Removable 5000 mAh power bank compatible with Magsafe, 18W USB-C output, USB output:

This charging station comes with a removable 5000 mAh power bank, which is also compatible with Magsafe devices. With a 20W USB-C PD output and an additional USB output, you can easily charge multiple devices at the same time, wherever you are. The powerbank offers enough capacity to charge your devices several times before it needs to be charged itself.

- Charger for Apple Watch, removable with USB-C connection so can also be used on the road or while traveling:

This charging station is equipped with a special charger for your Apple Watch. This charger is removable and has a handy USB-C connection, so you can also use it on the go or while traveling. This way, your Apple Watch always stays charged, wherever you are.

- Wireless charger for a second suitable smartphone or suitable wireless earphones:

In addition to charging your Magsafe-compatible devices, this charging station also offers a wireless charger for a second suitable smartphone or suitable wireless earphones. This allows you to quickly and easily charge multiple devices at the same time without the hassle of cables.

The DELTACO 3-in-1 Wireless Charging Pad is the ultimate solution for charging all your Apple devices in an organized and efficient manner. With its versatility and compatibility, it is the perfect addition to your desktop or travel kit.
