

TAG CARD

Find My location card

The Bluetooth locator card with iOS support keeps an eye on everything that matters to you. The unconventional locator with the dimensions of a credit card fits perfectly not only into any wallet, but also into a phone case or wherever a classic tag could not be attached or inserted. With the Find My feature, the Tag Card pairs with the Apple device and can be instantly tracked to its current location in the Find app. For even easier searching, the Tag Card also features an audible alarm. The IP67 rating guarantees dust resistance and protection against water up to a depth of one meter for 30 minutes. The locator is wirelessly charged and lasts up to 3 months on a single charge.

- Bluetooth locator with Apple Find My
- Bluetooth version 5.0
- IP67 rating resistant to dust and water
- Audible signaling
- Unwanted tracking alert
- Wireless charging LED indicator
